Quality Assurance

Offered by Owens Corning Roofing Preferred Contractors

We Have You Covered

When you hire an Owens Corning Roofing Preferred Contractor, you have the added confidence of knowing our workmanship, professionalism and customer service is backed by the most recognized roofing brand* through the Owens Corning Roofing Quality Assurance Initiative.

Worry-Free Workmanship

We understand how important it is to deliver dependable service and the highest quality workmanship throughout the installation of your new roof.

You may be contacted by an Owens Corning representative for an inspection as part of the Quality Assurance Initiative. While Owens Corning does not inspect every roof, these periodic inspections reinforce consistent quality.

Superior Service GUILDQUALITY

We share your high standards and take pride in a job well done.

To make it easy for you to share your experiences with us, Owens Corning is partnering with GuildQuality, a leading independent consumer research firm, to survey selected homeowners to get a better understanding on how we performed on your project.
